JOB OPPORTUNITY #1

Analyst V – SUPV, Finance Manager
Department of Physiology
Requisition 39384BR

The Finance Manager is responsible for supporting the financial development of the department as well as implementation and compliance with applicable UC, state and federal regulations and guidelines related to the administrative and financial management for the department. The individual oversees all financial reporting, contracts and grants administration, purchasing, and supervises three to four staff. The Physiology funding sources are diverse, including federal and non-federal grants, fellowships, training grants, state funds, gifts, endowments, and recharge operations. The Finance Manager should be a team player with strong leadership and financial management skills, proficient in developing internal systems and procedures. The incumbent will also perform other related duties.
