JOB OPPORTUNITY #1

Recharge Analyst  (Financial Analyst III, 7709U) #18443
Department of Biosciences Divisional Services
University of California, Berkeley
Req. #: 18443

Application Review Date: First Review Date of this job is 8/23/2014.

This position involves developing, interpreting and implementing financial concepts for financial planning, resource planning (dollars), and control of organizational budget. May analyze and prepare recommendations for financial plans, including annual resource allocations, future requirements, and operating forecasts. Involves accounting functions such as analyzing, monitoring, preparing and reconciling financial information to reflect the condition of the departmental recharge units and provide financial and other statistical data to control operations. Also involves preparation of complex financial reports to meet internal reporting requirements and includes activities relating to developing, implementing and monitoring accounting systems, policies and procedures relating to billing of users outside the University (e.g., LBNL, CHORI).
