Subject: Re: One job opportunity.

Job Opportunity #1 -

Job ID: 46070 BR
Education Coordinator – Health Professional Education Specialist III
Department: Neurology

Location: UCSF Parnassus

The Education Coordinator applies knowledge about program curriculum, requirements and educational activities to coordinate medical education programs that support department, faculty and medical education students. Coordinate and maintain program operations.

NEUROLOGY

The Department of Neurology has three core missions: to educate, to discover, and to provide outstanding patient care. At the center of the educational mission are the trainee residency and fellowship programs. The Department of Neurology has two residency and 12 fellowship programs. Most of our trainees go on to become national leaders in research, clinical care, or education
