## Job Opportunity #1 -

Job ID: 47804BR

Communication Lead – Communication Specialist IV

Department: Information Service Unit / School of Medicine Dean's Office

Location: 654 Minnesota Street

The Communications Lead independently oversees a comprehensive communications program for School of Medicine (SOM) Dean's Office Information Technology (IT) department. Produce or manage vendors to produce a wide variety of communications media, including written, visual, digital and electronic, and associated technical applications. Understand and drive usability decisions associated with new technology rollouts through thorough understanding of the business problem that needs to be solved. Set and measure success metrics that drive best practices.

The Communications Lead plays a key role in working with a broad set of stakeholders to develop and evaluate technology roll outs and campaigns. The Communications Lead will effectively communicate the benefits, value, and achievement of technology and process rollouts.
